# CHIME NOTES

DECEMBER 2017

Volume LVII, Issue I

Read : Philippians 4:8 Have a Positive New Year!

How do you view life? Do you see the glass as half empty or half full? Do you see the silver lining in every dark cloud or do you only see the dark cloud? Do you focus on the positive or good side of people, or do you only see the negative or bad side? It is easy to get caught up in negativity...always pointing out what you don't like. It's so easy to see what's wrong with the world and the people around us and judge them accordingly. We live in a negative culture; just watch the news and see how many positive stories make the news...not many...sad isn't it? In our society we seem to always be comparing ourselves with one another, always wanting more and never being content or fully satisfied with what we have...always wanting better...and putting down those who don't measure up to our expectations.

For some reason, people of all ages today seem to have a sense of "entitlement", "the world owes me" kind of mentality...life is about me, what I want. Negative people are always focused on themselves. Unfortunately that kind of attitude blinds a person so that they can not see just how blessed they really are. Negativity causes one to miss out on so much...great relationships with spouses, with our children and neighbors; the joy of living in happiness and contentment; the peace that comes from counting ones blessings, and the faith that comes from knowing that God is going to take care of you...no matter what! Negativity is like a bad cold, it's very contagious and makes one miserable.

The Psalmist tells us in Psalm 27:3, As a man thinks in his heart, so is he. Our attitude comes from what is in our hearts. Perhaps that is why the apostle Paul encourages us to think on these things: whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable...if anything is excellent or praiseworthy (i.e. - positive and good) think about such things. If we dwell on the positive then we have faith and hope in the future and a sense of renewed life. However, if we dwell on the negative it will pull us down and drain the life right out of us. What is in our heart and what is on our mind is our choice. We *choose* to be positive or we *choose* to be negative. The healthy choice is to be positive...in every situation. Sometimes it is not easy to be positive...that is where faith comes in...seeing what is not visible. My prayer for you is for you to choose a positive attitude and live a positive faith filled life in 2017. Count your blessings, rejoice, and be thankful for what you have! Pastor Carol

# HANGING OF THE GREENS

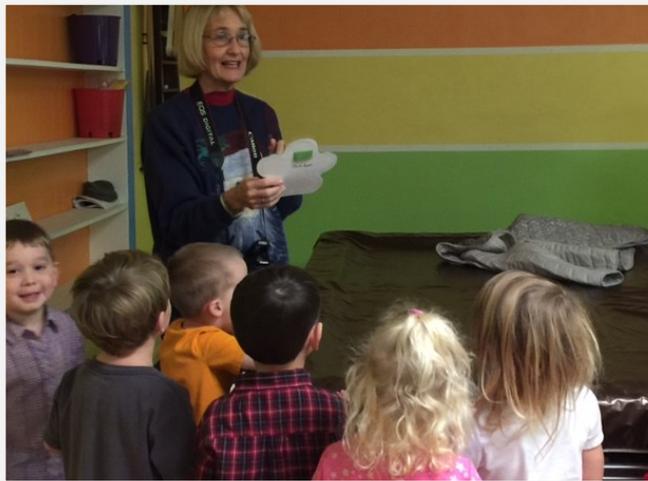

On December 20th, we decorated the church for Advent and made Advent wreaths. The church is beautiful this time of year!

# YOUR CHURCH IN ACTION — LEARN AND PLAY

During Learn and Play, we read the story of The Gingerbread Boy and then we made a gingerbread boy. We put him in the oven. Imagine our surprise when we released he had escaped and left us clues. We had to go on a gingerbread hunt! We finally found him hiding in the refrigerator.

We even had a visit from Santa who read some stories, did some magic tricks, and listened to what we want for Christmas!

# LEARN AND PLAY—CHRISTMAS PARTY

We had fun at our Christmas Party. We did our stations, iced cookies, and made a gift for our parents.

What a blessing this ministry is to not only the students but the teachers!

## CHILDREN'S CHRISTMAS MUSICAL

On Sunday, December 18, the children of the church presented "The Light Has Come" for the Children's Christmas Musical. We all enjoyed it! Thanks to Nikki Davis and Amanda Summers for directing the program.

## SOUP SUPPER AND SERVICE OF CAROLS

On December 11, we held the Community Soup Supper and Service of Carols at our church.

# CHILDREN'S CHRISTMAS PARTY

The children of the church enjoyed a Christmas Party on the afternoon of December 18. Santa visited, we played games, dressed others like Christmas trees, and decorated cookies.

# WOMEN'S BIBLE STUDY CHRISTMAS PARTY

The Women's Bible Study Group celebrated their conclusion of the Beth Moore "Entrusted" Bible Study on December 21 with a Christmas Party complete with food, games, charades! A fun time was had by all. The next Bible Study "Listen, Love, Repeat" will begin on Wednesday, January 4 at 6:00 p.m.

And a fun time was had by all!

## NEW WOMEN'S BIBLE STUDY

### LISTEN, LOVE, REPEAT

You are invited to join us for the new Women's Bible Study which begins on Wednesday, January 4, at 6:00 p.m. A light supper provided. This is a video-based study by Karen Ehman.

Our culture is self-obsessed – in our schedules, relationships, and especially online. (Can you say selfie?) But in this near-narcissism, people are less content than in decades past. Why? Because we forgot the joy that comes from putting others first. Doing so requires us to live alert, listening for “heart drops,” hints from those in our lives who need a helping hand or a generous dose of encouragement. Living alert lifts our own spirits, showing us that blessing others blesses us even more.

*Listen, Love, Repeat* offers biblical teaching and suggests doable actions that are simple, heart-tugging, sentimental, even sneaky and hilarious. This message:

- Presents scriptural examples of those who lived alert, including Jesus, who noticed those who least expected to be seen.
- Explains the role of good works for followers of Christ. They aren't our ticket to heaven but they are our marching orders on earth.
- Gives creative ideas for showing love to friends and family, and suggests practical ways to reach out to the lonely, the marginalized, the outcast, and the odd duck. Additionally, it helps you comfort the grieving, showing what you can do when you don't know what to say.
- Provides inspiration for blessing the “necessary people” in your life, those often-overlooked souls who help you get life done every day, and teaches you how to hug a porcupine by genuinely loving the hard-to-love.

As we scatter love, we create a safe space where we can openly share the gospel. We get to see lives changed right before our eyes. Most importantly, *Listen, Love, Repeat* will enable you to live a life that is full of kind deeds, not to selfishly shout, “Hey! Look at me!” but to humbly implore, “Will you look at Him?”

Special thanks to Kathy Small, Amanda and Nate Mylet, Carrie and Nate Byerly, Amanda Summers and Jo Ellen Flynn who have agreed to help with Children's Moment for 2017. You are truly appreciated!
